

Steve Brown: AI Expert, Futurist, Entrepreneur, and Author

- Visionary AI futurist; Generative AI and machine learning expert
- Former exec at Google DeepMind and Intel
- Thought leader on how AI will reshape business, education, and society
- Strategic advisor to Fortune 100 companies
- Entrepreneur and acclaimed author

Steve Brown is a leading force in the conversation on artificial intelligence. A former executive at **Google DeepMind** and **Intel**, he has delivered hundreds of information-packed, entertaining keynotes across five continents where he inspires audiences to action with AI.

Steve is a leading thinker on AI, generative AI, autonomous agents, digital transformation, and how AI will shape business, education, and society. Steve draws upon decades of experience in artificial intelligence and high tech to help leaders build winning AI strategies that fuel innovation, boost productivity, and drive growth.

During his 25-year career, Steve was senior director and **in-house futurist at Google DeepMind** in London and Intel's Chief Evangelist and futurist. He is co-founder of The Provenance Chain Network, which provides supply chain transparency and security services to the U.S. Space Force, a strategic advisor to two AI startups, and a **BCG Luminary**.

Steve works with global brands, Fortune 100 companies, startups, and government agencies. Clients include **Nike, JP Morgan, Samsung, Comcast, Audi, PepsiCo, and Disney**. He has been featured on the **BBC, CNN, Bloomberg TV, ABC, CBS, NBC, Forbes, The Wall Street Journal**, and **Wired Magazine**.

Steve has delivered hundreds of keynotes and AI innovation workshops that inspire people to imagine new possibilities with AI. His book, *"The Innovation Ultimatum: How Six Strategic Technologies Will Reshape Every Business in the 2020s"*, published by Wiley, is a how-to guide on innovation and digital transformation. Steve's mission is to help organizations build a better future with AI – by creating new customer experiences, streamlining operations, and elevating work.

Steve holds bachelor's and master's degrees in Microelectronic Systems Engineering from Manchester University, was born in the U.K., is an American citizen, and lives with his wife in Portland, OR.

Customer Testimonials

"I strongly recommend Steve for any company looking to deepen their understanding of AI." - GREG CHANDLER, CIO, THE STANDARD.

"Steve is an amazing speaker and storyteller who can captivate and motivate an audience of 5 or 5000." - JAMIE GUTFREUND, CHIEF MARKETING OFFICER, HASBRO.

"Steve's depth of knowledge and ability to explain the many aspects of AI is impressive. His delivery is captivating and inspiring." - TIM GITZEL, PRESIDENT & CEO, CAMECO.

"One of the best speakers I have had the pleasure to work with in my 19-year career organizing and hosting events. He mesmerizes the audience with an awesome blend of humor, high-quality visuals, and mind-blowing perspectives on the future." - SEBASTIEN MONNET, VICE PRESIDENT, CONFERENCE OF STATE BANK SUPERVISORS.

"Steve dazzles with his futuristic look at technology and practical insights on how AI will shape our work and lives in the years ahead."
DUNCAN WYSE, PRESIDENT, OREGON BUSINESS COUNCIL

"I have seen the future. Steve Brown showed it to me, and it is *good*." - JEFF GAUS, CHIEF EXECUTIVE OFFICER, PROLIFIQ.

"An accessible, actionable keynote that fueled our imagination and left a huge buzz in the room. Mega wow!" - TERRY SCALZO, EVENT MANAGER, INTEL.

"An extremely charismatic and energetic speaker, Steve has an excellent command of the subject matter and the ability to build a strong rapport with his audience. Highly recommended!" - PRADEEP KUMAR, PRESIDENT, SOCIETY FOR INFORMATION MANAGEMENT.

"Steve's keynote was ranked number one! No surprise. His content, tailored to our industry, was highly relevant and tangible for our utterly captivated audience. Our audience was engaged, challenged, and inspired as Steve showed them how to embrace AI in their business." - JAMES EASTWOOD, DIRECTOR OF MARKETING, MILESTONE.

"Steve was a terrific presenter for our Annual Summit, with nearly 3,000 attendees. His keynote was dynamic, insightful, and he drew meaningful and relevant connections to our messaging and a very specific audience." - DICK VAN SLYKE, DIRECTOR, OPEN COMPUTE PROJECT FOUNDATION.

"Steve's presentation was inspiring, and his tactical suggestions will play a key role in our sales strategy and evolution!" - GENE LUGAT, EXECUTIVE VP, PRIME LENDING.
